

## 3<sup>rd</sup> African American Summer Conference on Smart & Sustainable Innovations

**July 26 – 28, 2022 (VIRTUAL) via Morgan State University, Baltimore, Maryland, USA**

**Theme: “Smart & Sustainable Solutions for Post-Pandemic Practices”**

### Important Dates:

*Abstract Submission due date: April 30, 2022*

*Full paper Submission due date: May 30, 2022*

*Early Registration due date: June 30, 2022*

Register at <https://www.eventbrite.com/o/icta-transportation-professional-networking-group-27263732491>

**Virtual Conference Date: July 26 – 28, 2022**

**About the Conference:** The conference includes research findings, best practices, case studies, problem solving, innovative research in the design, operation and management of transportation infrastructure that contributes to creating smart cities, sustainable and resilient infrastructure/systems.

**Organizers:** ICTA Group, in collaboration with Transport Stakeholders, Universities and Transport Professionals has been organizing International Transportation Conferences in America and African countries. The 1st and 2nd editions were held in Botswana (2014 and 2015); the 3rd edition in Ghana (2016). The 4th edition (ICTA 2017) in Nigeria while the 5th & 6<sup>th</sup> editions took place in America at Morgan State University, Baltimore, Maryland, USA

**Participants:** Everyone in any way connected with transport is invited. This conference will be of particular interest to funding agencies, national government authorities, policy and decision-makers, academics, researchers, students and professionals active in the planning, construction, maintenance, logistics, operation and safety of passenger and freight transport, road traffic, rail, maritime and aviation.

**Purpose:** The conference is to provide a platform for professionals, researchers, experts, engineers and scholars to exchange ideas on smart and sustainable solutions; share innovative approaches and publish papers in the field of civil/transportation.

**Thematic Areas:** Submit abstract(s) of not more than 300 words to the secretariat email: [ictatransportprofessionals@gmail.com](mailto:ictatransportprofessionals@gmail.com)

1. Impact of COVID/ Smart Cities/ Workforce Development/ STEM/ e-Learning & Engineering Education
2. e-transport/ Connected & Autonomous Vehicles/ Smart Mobility/ Transport Services/ Supply Chain Management
3. Artificial Intelligence/ Cyber-security/ Technology Transfer/ Research Collaboration/ Capacity Building
4. Transportation Equity/ Environmental Justice/ Travel Demand Forecasting/ Road Networks/ GIS Applications
5. Construction Management/ Occupation Safety & Public Health/ Structures/ Environmental Impact Assessment
6. Climate Change/ Resilient Infrastructure/ Innovative Design Methods/ Composite & Construction Materials
7. Traffic Safety/ Pavement Maintenance/ Intelligent Transportation Systems/ PPP/ Funding Mechanism
8. Appropriate Technology/ Geotechnical & Agricultural Systems/ Quality Control/ Infrastructure Management

**Register** at <https://www.eventbrite.com/o/icta-transportation-professional-networking-group-27263732491>

All accepted peer reviewed papers are being published in the ICTA Conference Proceedings with ISBN and best papers are being recommended for special edition in reputable journal.

✓ **SUPPORTING ORGANISATIONS**

### International Coordinator/ Planning Committee:

1. Dr. Simon Oladele, Ph.D., P.E, (M.ASHE), Pr.Eng. (M.BIE);C.Eng. (M.ASCE), R.Eng. (M.NSE), (COREN) Contractual Professor/ Fulltime Faculty, Civil Engineering Department, Morgan State University, MD, USA  
Contact: +1 202-641-2598; Email: [adewolesimon.oladele@morgan.edu](mailto:adewolesimon.oladele@morgan.edu); Web: [www.morgan.edu/soe/civileng](http://www.morgan.edu/soe/civileng)
2. Prof. Glenn Robinson, MA. MM., Research Associate Professor, Institute of Urban Research, Morgan State University, MD, USA
3. Dr. Oludare Owolabi, D.Sc., P.E., MCIHT, (COREN), Assistant Professor, Department of Civil Engineering, Morgan State University, MD, USA
