

## Info Session 1: FACILITY AND FOSTERING GUESTS

### ENGAGE

#### Assimilation Training

*To fully be prepared to receive unchurched and lost people, we must start by loving them through intentional relationships.*

Christ is constantly growing His kingdom. Is your church ready to receive those He sends through your doors?

Our Assimilation Training emphasizes:

- Preparing churches to receive unchurched and lost people
- Preparing churches to be in alignment with what Christ is doing in our communities
- Loving people through authentic relationship
- Leading people into their next step in their personal relationship with Jesus Christ

### PREPARE

#### Build-out Design

*A church designed for who is yet to come—not just who's already there—prepares the way for those whom Christ directs.*

Whether planning a remodel or new facility layout, it's imperative to harness Christ's vision for the design. And we know that His intent is to grow His church. With that in mind, our build-out designs focus on:

- Preparing your church for the next 100 people
- Designing your church through the eyes of the guest and what they will experience
- Maximizing connecting space
- Amplifying the ministry potential of your facility for today and tomorrow

## Info Session 2: FINANCES AND FUNDING MINISTRY

### ENGAGE

#### Stewardship Training

*A key to our spiritual formation is embracing the concept of obedience to Christ, thereby unlocking the flow of abundance.*

The principles within our God's Economy stewardship training focus on how obedience to Christ opens various doors to abundant blessing. God's Economy targets transforming our hearts as it pertains to finances. This is not a transactional approach; it's transformational in the hearts of those who are open to what the Holy Spirit has to say.

Stewardship does not have to be an intimidating subject. By teaching the financial principles of God's Economy your church will break the bondage from financial strongholds.

### PREPARE

#### 21 Day Campaign

*Questing After God's Heart*

A condensed, yet focused campaign to help your church raise a small amount of funds in a short amount of time.

Take people in your congregation on a prayer journey and allow them the opportunity to hear the Lord and be obedient to Him. Encourage people to seek and obey Christ in a way they may never have before, thereby growing and strengthening their relationship with the Lord and uniting the church.

Your entire congregation will join together for:

- 21 Days of collective prayer and fasting
- 3 short videos
- A prayer-led and personal pledge
