Insurance coverage is offered through UPS Capital Insurance Agency, Inc., a licensed insurance producer. If you elect protection for your shipment, it will be insured under a policy of insurance (the "Policy"), but you are not an insured under the Policy. In the event of a loss covered under such Policy, any resulting claim payment will be directed to you as a loss payee. All insurance-related information is provided by UPS Capital and does not in any way alter or amend the terms, conditions, or exclusions of the Policy. Insurance coverage is not available in all jurisdictions or on all shipments.
