Upper Tampa Bay Chamber of Commerce in partnership with the City of Oldsmar and the Bay Area Manufacturing Association welcome your business to the 2023 Economic Summit. In today's ever changing economic environment, the businesses of Oldsmar are coming together to listen, learn and lead with each other.

The summit is designed to be interactive and will kick off with a brief introduction and state of the city report from Mayor, Dan Saracki and City Manager Felicia Donnelly. We then move to a segment with guest speaker Dr. Jakub Prokop, Campus Director for the Pinellas Technology College – Clearwater Campus to discuss today's recruitment challenges.

The last segment of our summit will be used as a focus group to discuss the current conditions for your business and what resources could be beneficial to your company's future.
