2022

# WHISKEY RUN MOUNTAIN BIKE FESTIVAL

The Whiskey Run Mountain Bike Festival of 2022 brought in over 100 people during the first weekend of June to enjoy two days of biking on the Whiskey Run Trails. Many of the participants were from out of the area and had never been to Whiskey Run before. We had a packet pick up event on Friday night that was well attended at the local bike shop and most people stayed a total of two nights in town to enjoy the entire weekend. Many people also reported staying in hotels, even though free camping had been arranged for participants. People also reported eating at the local restaurants for most of their meals during the weekend. The local bike club was instrumental in helping with this event by gathering volunteers to run the guided rides and by preparing the trails before the event.

For an event to have over 100 people in it's first year is a great indicator that it will continue to grow and bring more people to the trails and the local area. Thank you for allowing us to be your Event Planners.
