

# GENRE

## of the month club

### How it works (for children in grades 2 to 5):

1. Each month **read one or more books that are written in the genre of the month.**
2. **Answer the question** on this form and **return** this form to the children's room at the library.
3. For each genre book read and reviewed, you **get one chance to win a prize.**
4. Read and review more books of that genre during the month to get more chances to win.
5. Check out our monthly booklists for help selecting a book.
