

BACK COUNTRY HORSEMEN OF AMERICA
ANTI DISCRIMINATION AND HARASSMENT POLICY
POLICY # _____

The BACK COUNTRY HORSEMEN OF AMERICA (BCHA) organization is committed to fostering an environment where every individual is treated with dignity and respect. Discrimination, harassment, and disrespectful behavior of any kind undermine our values, our community, and our ability to work together effectively. This policy affirms our responsibility to maintain an inclusive environment that upholds fairness, equity, and mutual respect in all interactions.

POLICY AGAINST DISCRIMINATION and HARASSMENT

BCHA supports the principles and spirit of equal opportunity. It is our intent to continue to administer volunteer opportunities without regard to race, color, national origin, ancestry, religion, gender, gender identity or expression, sexual orientation, age, disability, marital status, military or veteran status, or any other characteristic protected by applicable law. We utilize positive recruitment to foster the principles of non-discrimination to ensure that all elections and volunteer opportunities are made on the basis of qualifications and merit.

Discrimination and harassment in any form is strictly prohibited and won't be tolerated of any individual working for, or volunteering for, BCHA.

ENFORCEMENT

This policy applies to national representatives of BCHA. States and chapters are welcome to implement this policy, to include amendment of their bylaws if needed. Concerns about BCHA employees, contractors, national directors, national committee chairs, or other national-level leadership individuals should be brought to the BCHA Chair or another member of the Executive Committee (EC) within 30 days of the incident. The BCHA Chair or EC member has the responsibility to handle the complaint promptly and in a confidential manner.
