

Calling all young adults with a passion for trails! Our friends at the Partnership for the National Trails System (PNTS) have an exciting opportunity for you.

Now is your opportunity to apply to be a PNTS Trail Apprentice! Join a leadership and career exploration program for emerging professionals interested in a career in trails and related fields (conservation, public lands management, history, and more). Through the program, Trail Apprentices will gain leadership, networking, and training opportunities.

Trail Apprentices will:

- Receive a scholarship to attend the 2024 National Trails Workshop in Tucson, AZ (November 17-21, 2024)
- Participate in virtual trainings and activities
- Network with a cohort of peers and established trails professionals
