

Darrell Wallace – Candidate for 2026-27 Non-Director position on the BCHA Executive Committee

Member of BCH Washington since late 1990s

State President of BCH Washington 2010-2012

BCHA Director 2012-2019

BCHA Parliamentarian 2011-2019

BCHA Executive Committee (off and on) 2015-2026

BCHA National Chairman 2020-22

I retired as a manager after a 30+ year career with the WA State Employment Security Department, specializing in performance measures, budget, and data analysis. I served for 5 years as Executive Director of BCH WA.

The non-director positions were created to take advantage of the knowledge of long-time BCHA leaders (old-timers!). I would like to continue offering historical and traditional perspectives on BCHA governance, while recognizing the need to change and evolve for relevance and sustainability.
