### Q&A TO FOLLOW PRESENTATIONS

### OGDEN TECHNICAL CENTER BUILDING TOURS TO FOLLOW

We have strategically chosen the Ogden Tech Center as the site for the event to allow our members to witness the potential that is held in the empty dilapidated buildings located throughout the Ohio Valley. Ogden hired JD&E in 2001 to renovate an extremely dilapidated steel company building constructed in 1890, transforming it into an impressive state of the art facility. Ogden has graciously offered their facility and will provide tours following the seminar.

**We invite you** to participate in the day's program at no charge, but ask that you please remember to register by September 13th due to the fact that registration is limited to the first 150 registrants.

**For reservations** email [ovcec@ovcec.com](mailto:ovcec@ovcec.com) or call (304) 242-0520.

Please feel free to contact Alicia Andrews, OVCEC Administrative Assistant, at (304) 242-0520 if you have any questions. We look forward to seeing you there!
