

Upgrading our Hymnals!

After more than 17 years, the green hymnals in our church are starting to show wear. Our parish staff and Worship Commission have agreed that now is the time to move forward with updating our hymnals to Gather Third Edition, published by GIA Publications, Inc. This hymnal contains 80% of the music we used in the past year, along with some great new pieces. It also contains all of the updated language that came with the Roman Missal implementation three years ago, meaning that the Creed and mass parts (Gloria, Sanctus, etc.) have the words we currently use at Mass.

However, we want to be fiscally responsible. Therefore, we have decided to raise the needed funds prior to making the purchase. Total cost of the project (including hymnals, accompaniment books, and freight) is approximately \$11,000. Donations will be gratefully accepted, and we are offering the opportunity to memorialize hymnals if desired.

Memorializing a hymnal is a wonderful way to remember a loved one, or to show support for our St. Mary Magdalene parish. Each hymnal that is dedicated will have an inscription card placed on the inside front cover, with the name of a deceased loved one and the individual or family that has supported our effort to provide an outstanding music resource for worship. **Suggested donation is \$25 per book.**

Please complete this form and return it in the weekend collection, or to the Parish Office.

Please make checks payable to St. Mary Magdalene Church.
