

Walk for Water

...so others won't have to!

Sat., Sept. 21, 9 AM

- ❑ Step off from Live Oaks Park (behind PR Elementary) at 9 AM and head to The Sands. Pick up a bucket from the Port Royal Fire Dept., fill it with water, and head back to the Park, watering our neighbors' plants as you go.
- ❑ There'll be music, water filtration demonstrations, and even golf carts to carry you on the route if you need.
- ❑ St. Mark's is a major sponsor of the event in support of Charleston-based Water Mission's work to ensure safe water around the world. We have a limited number of registrations available at NO CHARGE. Email Westley Byrne at wapwb1@gmail.com if you'd like one of them.
