24-07 PRICE FILES - Laars Price Adjustments - Replacement Parts & Commercial Products - Effective April 1, 2024

March 15, 2024

We have moved into 2024 and have evaluated our operating, raw material, and product manufacturing costs. Based on this evaluation, we will institute a modest price increase on most commercial products and replacement parts, effective Monday, April 1, 2024, for the following items:

Description	Adjustment Amount
NeoTherm® NTH 399-1200 Boilers	5%
NeoTherm® NTV 150-1200 Water Heaters	5%
MagnaTherm® Water Tube Boilers and Water Heaters	5%
MagnaTherm® Fire Tube CFH Boilers	5%
OmniTherm® Boilers and Water Heaters	5%
Pennant® Boilers, Water Heaters, and Pool Heaters	5%
Mighty Therm®2 Boilers, Water Heaters and Pool Heaters	5%
Mighty Therm® AP Pool Heaters	5%
Electric Boilers	5%
Commercial Tankless Electric Water Heaters	5%
Laars Plate™	5%
Commercial Boiler Controls (M4 & S8 Family)	5%
U.H.E.® Water Heaters	** varies**
Jacketed Hot Water Storage Tanks (standard 80-200 "A" tanks)	4%
Large Volume Tank Products	4%
Pumps for OmniTherm® & MagnaTherm®	as needed
Commercial Replacement Parts*	5%*
Residential Replacement Parts* – Except LT Series Water Heater Parts	5%*

*General increase shown. Individual parts may be adjusted differently, based on costing

**Increase or decrease, depending on model

There will be no increase on the following models:

- NeoTherm XTR Boilers and Water Heaters
- FT Series 301-399 Boilers
