**Jack's Bio:**

Having been a Jesuit priest for 25 years, I bring a wealth of experience to this process. Over the years, I have guided many people during eight and thirty-day silent retreats. The participants in these retreats were men and women, lay and Religious, and from various spiritual traditions. I have a deep conviction that there are many paths into the Sacred Mystery.

**An opportunity to give a love offering will be made available at the conclusion of the retreat.**
