If you wish to have the bookstore order your book let Rev. Pat know.

Book Info: At once a moving meditation and an empowering guide, *More Together Than Alone* is a compelling testament to the power of community and why it's so essential in our lives, now more than ever. Mark Nepo draws from historical events, spiritual leaders, and the natural world to show how, in every generation, our tendency is to join together to accomplish our greatest achievements, from creating education to providing clean drinking water, and preserving the arts.

Nepo's historical snapshots, from ancient times to contemporary examples, show how community creates a light in the darkest of times. The book explores the heart of how we come together in varied and beautiful ways, whether forming resistance groups during the Holocaust or rebuilding after the nuclear devastation in Nagasaki. These inspiring stories teach us that even in the bleakest days, we have the power to create connections and draw strength from one another.

Featuring thought-provoking analysis and practical takeaways, *More Together Than Alone* will help us inhabit a stronger sense of togetherness where we live and, in the world, so we can achieve our highest potential, as individuals, and as communities. "In an age of racial divisions, school shootings, and international conflict, this book's message about the necessity of coming together is timely, and its examples of human compassion and unity are often comforting" (*Publishers Weekly*)
