

**Unity from the Inside Out
Membership Class
With Rev Pat Bessey
Wednesdays May 19 – June 16
6:30 – 8:00 PM/EST**

"I longed for something more in my life. I didn't know what that something was. I kept searching and searching. Then about two years ago a coworker mentioned Unity to me. I decided to explore the Unity movement and was fascinated by its teachings. I found myself learning spiritual principles I could apply to my everyday life. I've learned to see others from a place of love rather than judgment. Now that's life altering."

Quote from *Unity for Today*

If the above quote resonates with you this class is for you...in 5 weeks, we will cover topics such as denials and affirmations, the nature of God and the nature of humankind, the power of thought and affirmative prayer.
