***Tools to create the love you want to give and receive***

*“The test of love is in how we live.” “All things need watching, working at, caring for, and a committed relationship is no exception. Marriage or a significant relationship is not something to be indifferently treated or abused, or something that simply takes care of itself. Nothing neglected will remain as it was or is or will fail to deteriorate.*

*Adapted from Richard L. Evans*

**Bios of Rev Pat and Rev LeRoy:** Both are Unity ministers and after two failed marriages they have found the key to a loving, successful marriage for the last 25 years. They will share what tools they have used to accomplish this.
