

# **All About that “B”**

**By Dolores Watson**

It is the start of summer 2025 and we have many things we can do and places to visit and as members of the Metropolitan Bridge Unit we always manage to take time to play bridge face to face at our local clubs six days a week or meet up online at BBO which schedules several ABA tournaments daily and offers other play platforms 24/7. It is for these reasons that MBU players agree it is all about that Bridge.

At the discretion of our editor-in-chief, this semi-annual edition of The Consumer is now an e-letter. The Consumer e-letter will continue to provide the same content as the newsletter reporting rankings/score results, member announcements, articles and more.

The AAA Fundraising committee chair Patricia Binyard is pleased to announce Superbowl game winners, Charles Guest, Gloria Hobbs, Marilyn Legall and Doreen Christmas. The winner of the AAA “a free room on us” raffle is Nichole Weeks who is not an MBU member. However, she has the option to choose hotel accommodations or cash.

The AAA Tournament will be held at Resorts Casino Hotel in Atlantic City, New Jersey from December 7-11, 2025. You may want to consider travelling by charter bus to the tournament if enough people want it. We encourage you to come, play and enjoy.
