Showcase Company FAQ Sheet

What is the #AVF2024 Technology Showcase?

The Atlantic Venture Forum (AVF) features some of Atlantic Canada's most promising technology companies. The showcase provides early and growth stage companies with unparalleled visibility and an opportunity to connect with leading venture capital investors from across North America. Showcase companies are categorized into the following focused streams: **SaaS & Enterprise, Cleantech, Health Tech & Life Sciences, Fintech, Climate Tech, and Ag & Food Tech.**

How to Participate

Entrepreneurs wanting to participate in the 2024 AVF Company Showcase must fill out the [online application here](#) and contact the Forum organizers. Drop us an email or phone call to discuss the opportunity. Contact information below.

Core Criteria

- Seed funded/Angel backed
- Looking for an A round or socializing a B round
- Can be a current portfolio company that is meeting its milestones
- Promising technology and business model
- Watched with interest by the venture community

Showcase Benefits

- Showcase your company to venture capital investors, corporate strategists, and other major industry influencers
- Provides a platform for moving onto the radar of Fortune 500 firms
- Direct personal contact with influencers and decision-makers

Gateway to Business Development Opportunities

- Financing, Demonstration Projects/Field Trials, Technology Licensing, Distribution Channels, M&A Discussions, Joint Venture Agreements, and Partnering
- Add to your brag sheet
