## What is the #AGRIForum Company Showcase?

We are an annual that serves as a platform to accelerate agricultural innovation. The Company Showcase provides the opportunity for early-stage and growth-stage ventures to gain direct access to investors, decision makers, and corporate strategics world-wide.

## How to Participate

All entrepreneurs wanting to participate in the Company Showcase must complete the [online application](#). If you are accepted to present, this application will serve as your company profile in the official print program. You will be notified by the event organizers if you are accepted.

## Core Criteria

- Minimum of \$250K in Angel/Seed Investment
- Looking for an A round or socializing a B round
- Can be a current portfolio company that is meeting their milestones
- Promising technology or business model
- Watched with interest by the venture community
