

THE SCARLET LETTER

Summer Reading Assignment

Reading: Begin reading at “The Prison Door.” Plan to read three chapters a week throughout the summer, so you have time to enjoy the book.

Activity: Please plan to take notes as you read. When you have completed the reading, take time to consider the thoughts below. Then write a 2 to 3 page essay (typed, double spaced) detailing your answers.

Thoughts: How does this book make you reflect on the consequence of actions? Think of a specific time that you had to deal with the consequences of your own actions. How did you deal with the outcome, and do you think your consequences were fair or unfair? Do you think Hester’s punishment was fair? Prepare to defend your answer scripturally.
