

When people stop to complement us on the Community Garden, we have this card to give them, so they know who we are. Recently, three members made presentations at the Cedar Springs Women's Club about the Black Swallowtail Butterfly, pollinators, and Michigan Garden Club. We handed out the post cards to everyone.

Imagine our surprise when we had 5 new people interested in joining our club. Now they are members and have even stepped up to fill some of our leadership positions!

**Sharing ideas on any subject is an important part of being a member of Michigan Garden Clubs!**
