

Congratulations to Lowell Showboat Garden Club for that addition to our Blue/Gold Star State Map!

We plan to end our summer with a D-4 Club Presidents and Leadership Team Potluck Barbeque including our spouses which should be fun for all.

We look forward to our October 7th District Fall Conference, "Pumpkin Palooza" hosted by Muskegon County Garden Club. Our morning presenter will be fun with the topic of "Waggle Dance Honeybees" and after lunch we will enjoy a Floral Design program.

Kent Garden Club will be hosting their first (in a long, long while) MGC Youth Sculpture Contest in November following guidelines so graciously shared by our D6 Director, Kathy Sauber.

As many of you know our District will be hosting our 94th MGC Annual State Conference "A Sure Way to Connect" at the beautiful Haworth Center on the Hope College Campus. The Committee is hard at work planning for June 9-10, 2025, and we warmly welcome you to mark your calendars now to Save the Date. This will be an installation year as well.
