

Ronnie Dush Biography 1st Vice President

My first involvement with Michigan Garden Clubs was when I joined the Rainbow Lakes Garden Club in 2008. Serving as Vice President and then President. When Rainbow Lakes GC left MGC I joined the DeWitt Millennium Garden Club. There I served as VP then President for 3 terms.

While a member of Rainbow Lakes GC I served on many past MGC boards in several positions. The best was a District 6 Director for two terms. I have been involved in the planning of the MGC-NGC 2016 conference in Grand Rapids and the 2018 CR conference held in Frankenmuth. In the MGC schools I have achieved Master Consultant status in Landscape Design, Garden Studies and Environmental Schools. I enjoy putting in my vegetable and flower gardens. I am a LIFE Member with MGC, CR & NGC.

Currently I'm divorced and have stage 4 colon cancer. Had Chemo treatment for the last 3+ years. I received 5 radiation treatments, and now I'm on an Immunol therapy treatment every 28 days. I'm currently classified as in remission. These monthly immune treatments have kept things under control. I'm looking forward to serving on MGC Board of Directors and finding many new friends for gardening. Please feel free to introduce yourself and talk to me anytime.
