

Fantastic is all I can say about the Spring Leadership conference held April 24, hosted by the Pleasant Ridge Garden Club. The discussions were lively and the centerpieces using mason jars and seasonal flowers cheerful. In addition to sharing ideas about technology and involving the community in native plant gardening we celebrated La Societe Des Jardiniers 50<sup>th</sup> Anniversary.

Mark your calendars for the Fall District 1 conference September 26 at the historic Detroit Yacht Club. We will be enjoying a talk and tour of the Odolf Garden on Belle Isle by Richard Thomas as well as several other speakers. I hope to see you there.

Anne Ryan  
District 1 Director
