

National Garden Clubs Plant America Grant Winners continued:

NGC also had a second Plant America Grant this year when a former NGC President created a 100% matching fund grant opportunity up to \$50,000 for existing Blue and Gold Star Memorials in support of the United States Semi quincennial.

Michigan Garden Clubs donated \$1500 to support this effort which was matched.

Congratulations to the following clubs who have received grants from this second NGC Plant America grant fund:
