

Speaking of flower shows, East Jordan Garden Club held their annual informal Flower Show titled Planes, Trains and Automobiles. The visitors to the show always get to do the judging. It's always a fun experience.

Visits to clubs this season began in April with Presque Isle Garden Club, Elk Rapids Garden Club, Juniper Garden Club, Petoskey Garden Club, Portage Lake Garden Club, Charlevoix Area Garden Club, East Jordan Flower Show, and in late September joining Periwinkle Garden Club. There are so many great members to meet at these gatherings and I learn something new about what each club is doing by making these visits. Thank you all for inviting me and keeping up the grand work.
