

D4 Read More

Thank you to all our members for the beatification projects undertaken in your communities each year. I know how proud you are of them, and I see the fruits of your labors as I travel throughout the district. District 4 did an outstanding job planning and executing the annual conference. It was a great success as we welcomed Lisa Robinson as our new President and thanked Nancy Ryan for her support over the past two years.

Lowell Showboat Garden Club asked me to do their officer installation. It was my first official act as District 4 Director. They followed this up by inviting me to their member appreciation Tea Party. As a special treat this year, it was on the Lowell Showboat!

Upcoming events are the fall meeting bus trip to the quilt gardens in Indiana on September 5 and Rockford Garden Club's dedication of the Gold Star Marker on September 20.
