## **Informational Memo - D109 NSSED Withdrawal Resolution**

TO: School Board  
Superintendent Kocanda

FROM: Beth Martin

August 16, 2016

### **Background**

Last school year, Dr. Michael Lubelfeld, Superintendent of Deerfield Public Schools District 109, indicated the intent of D109 to voluntarily withdraw from the *North Suburban Special Education District (NSSED)*. Initial intent was to withdraw by July 1, 2016, which was later revised to July 1, 2017. School Districts within the cooperative were asked to approve a resolution that would allow D109 to voluntarily withdraw from NSSED.

### **Update**

On June 9, 2016, the District received notice that D109 has rescinded their petition to withdraw from NSSED. The D109 Board of Education approved a resolution to rescind the petition to withdraw from NSSED on June 6, 2016. A copy of this resolution has been provided and is being retained within the Department of Student Services.
