Informational Memo: Recommended Updates to School Board Policy – 1st and 2nd Read

TO: School Board
FROM: Policy Subcommittee

February 21, 2017

Overview

The School Board was provided with a 1st read on policies recommended for update at its January 24, 2017, Board meeting. No objections have been brought to the attention of the Policy Subcommittee, and following a 2nd read, the Policy Subcommittee recommends policies shown on the following page to be adopted. A summary indicating the reasons for the proposed updates is shown on the following page. The policies, in their entirety, can be viewed [here](#).

When the Policy Subcommittee met on January 9, 2017, there were two policies that were held for legal review and/or administrative feedback. Updates to these policies have now been complete and are being presented for a 1st read. They include Policy 5:60 General Expense and 5:330 Educational Support Personnel – Sick Days, vacation, Holidays and Leaves.

The School Board's Policy 7:30 addresses Student Assignment and Intra District Transfers. This policy is not recommended for update and remains applicable for students in grades 1-8. For the 2017-2018 and 2018-2019 school year, a new policy has been written that pertains to kindergarten families, Policy 7:31. The purpose of this policy is to establish guidelines for intra district transfers to families within the Crow Island boundary area that are assigned to attend an elementary school other than Crow Island. Accompanying Policy 7:31 is an Administrative Procedure that applies only to the 2017-2018 school year. This Administrative

Procedure delineates specifics related to deadlines, approvals, siblings, and priority considerations. As it is possible that processes may change for the 2018-2019 school year, an administrative procedure designed, specifically for the 2018-2019 school year, will be developed as needed.

The School Board is asked to provide feedback to Policies brought forward for both a 1st and 2nd read at its meeting on February 21, 2017.
