Informational Memo: Strategic Planning Process Update

TO: School Board
FROM: Trisha Kocanda, Superintendent

April 21, 2020

The unexpected school closure due to COVID-19 has required us to evaluate the status and timeline for various initiatives. After consulting with Battelle for Kids and the two Board members participating in Strategic Planning, the Superintendent is recommending that the School Board consider the modified "Timeline B" attached to this memo. We will discuss the benefits of this recommendation at the April 21 School Board meeting in an effort to gain Board consensus.
