

## **Information & Action Item: Prevailing Wage Resolution**

TO: School Board  
Dr. Trisha Kocanda, Superintendent

FROM: Greg Kurr, CFO

June 7, 2017

### **Overview & Background**

Each year, the Board is required to adopt a resolution to pay the prevailing wage rates for laborers, workers and mechanics employed in Public Works projects in the District. This is in compliance with procedures outlined in the Prevailing Wage Act (820 ILCS 130/0.01-12). These individuals are to be paid at the rate of those paid in Cook County as determined by the Illinois Department of Labor.

New Trier Township High School District 203 annually coordinates compliance for school districts within the Township. This entails publishing the required legal notice and forwarding copies of approved resolutions to the Illinois Department of Labor and the Office of the Secretary of State. This year the actual rates will not be available from the Illinois Department of Labor at the earliest until July 2017. In consideration of this, Administration is requesting that the Board approve and adopt the attached Prevailing Wage resolution for the 2017-2018 school year at the June 7, 2017, meeting, with the understanding the rates issued by the IDOL in July or later will be attached to the filing and shared with the Board at a future meeting when they become available.

### **Recommendation**

Administration recommends The Board approve and adopt the Prevailing Wage resolution for the 2017-2018 school year.
