

## Information Memo: Mid-Year Strategic Goal Update

TO: School Board

FROM: Trisha Kocanda, *Superintendent*

January 30, 2018

### Overview

The District's 2015-2020 Strategic Plan is organized by six drivers to move the District forward in areas that were deemed important and visionary by our school community. Last year, District annual goals evolved from community feedback, the year-end review and meetings held with The School Board, Central Office and Administrative Team.

The 2017-2018 annual goals recognize the time, energy, and resources needed to support the Future ReadyD36 initiative. Therefore, the Goal areas were narrowed to two in order to encompass the educational master facility plan initiative and the ongoing work of Reaching ALL Learners.

Goal Area	2017-2018 Targeted Outcomes
1 Future Ready D36	1.1 Develop a long term Educational Master Facility Plan (EMFP) that aligns school facilities, enrollment, and our vision for teaching and learning to meet the needs of current and future students in a fiscally responsible manner.
2. Reaching All Learners	2.1 Provide meaning and context for our major assessments for teachers, parents and students (Year 2 of 2-year goal)
	2.2 Utilize inquiry projects and real world applications to enhance high-readiness access & challenge.
	2.3 Implement K-2 Intervention model of support.
	2.4 Establish a District-wide Special Education service delivery model (Year 2 of 2-year goal)

	2.5 Ensure all students demonstrate the outcomes of utilizing the design thinking process (collaboration, empathy, communication, resilience) in their experiential learning opportunities (Year 2 of 2-year goal)
	2.6 Strengthen Home-School-Community Partnerships.
