A decorative graphic featuring various colored circles (teal, blue, green, yellow, orange, pink) and dashed lines of different colors (teal, green, yellow) arranged in a circular pattern around the central text.

October 2020 Survey Results District Overview

The background features a large, light blue dashed circle. Various solid-colored circles in shades of green, yellow, orange, and pink are scattered around the page. A large teal circle is at the top center, and a smaller blue circle is below it, containing the opening quotation mark.

“

The remote teachers are doing incredible! I can barely lead a team of adults through zoom calls and they keep the kids engaged while learning.

The teachers are incredible. I was worried to send my kids in person and the teachers have gone above and beyond to help keep everyone safe. They are doing more than their share of educating our children. We are so lucky to be in this district.

-Winnetka Parents

District Summary- Key Takeaways

Overall Experience

The majority of parents, students, and teachers regarded the opening period of school as being successful/good or very successful/good.

Health and Safety- Comfort of attending school with protocols in place.

The majority of parents, students, and teachers expressed comfort in this area. 20% of students and teachers are reporting that they are at least somewhat uncomfortable with attending school. Less than 1% of parents are reporting that they are uncomfortable with their child attending.

Clarity and Frequency of Communications

The majority of parents, staff, and students noted clarity and frequency of communication sufficient. 21% of parents indicated that there was not enough communication from the teacher.

Workload-Student Independent Work

This area showed a discrepancy among students, staff, and parents regarding the perception of the minutes of work being assigned during the remote part of the day.

Teachers report that 55% of all students are doing 80% or less of assigned work

District Summary– Key Takeaways

Social Emotional Wellness

78% of children responded that they are doing good or OK. 9% of students are reporting that they are feeling “not good” or having a “hard time.”

15.5% of teachers are reporting that their social emotional health and well being is unhealthy or very unhealthy

Technology

The majority of students are reporting that they can easily navigate Schoology Learning Management System. 21% of parents indicated that they are unsure/have not tried it and 18% disagree that they can easily navigate Schoology

All stakeholders groups responded positively regarding the responsiveness and effectiveness of tech support

Connection to an Adult

18% of students are reporting that they do not have an adult at school that they can talk to about their feelings.

Teacher Workload

The majority of teachers (57%) are reporting that the workload is less manageable than in prior years. The vast majority (77%) of teachers are reporting that they do not have enough planning time to fulfill their duties.

District Summary– Key Takeaways

Special Education

66.5% of parents agree or strongly agree that the special education services have been effective. 33.5% indicated that they disagree about the services being effective during this time.

Engagement in Synchronous Learning

Engagement with in person learning is strong as reported by teachers, students, and parents

For the Synchronous Related Arts Remote part of the day, approximately 25% of students and parents say that they are less than neutral (less engagement)

For students in the full remote model, they are reporting that they are slightly more engaged in the asynchronous part of their day than the synchronous part of the day

A decorative graphic on the left side of the slide featuring several overlapping circles and rings in various colors: pink, orange, teal, light blue, and lime green. Some shapes have dashed outlines.

Total Responses

Parents = 1174

Students (grade 3-8) = 1318*

Staff = 262

*1,293 enrolled - some students took more than once

Survey Window: 10/5/20 – 10/12/20
