

## Information Memo: Mid-Year Strategic Goal Update

TO: School Board

FROM: Trisha Kocanda, *Superintendent*

January 29, 2019

### Overview

The District's 2015-2020 Strategic Plan is organized by six drivers to move the District forward in areas that were deemed important and visionary by our school community. Last year, District annual goals evolved from community feedback, the year-end review and meetings held with The School Board, Central Office and Administrative Team.

The 2018-2019 annual goals recognize the time, energy, and resources needed to support the Future ReadyD36 initiative. Therefore, the Goal areas were narrowed to two in order to encompass the educational master facility plan initiative and the ongoing work of Reaching ALL Learners.

Goal Area	2018-2019 Targeted Outcomes
1 Future Ready D36	1.1 Approve a long term Educational Master Facility Plan (EMFP) and develop a corresponding capital project timeline
2. Reaching All Learners	2.1 Embed high-quality and relevant inquiry projects with real world applications to challenge and support all learners
	2.2 Strengthen MTSS practices to effectively identify and serve students who require intervention in reading, writing or math
	2.3 Implement co-teaching and instructional coaching models to enhance integrated service delivery in elementary schools

	2.4 Leverage technology-based resources to increase student engagement and personalized learning opportunities
	2.5 Strengthen Home-School-Community Partnerships to support Reaching ALL Learners goals
