

Literacy Volunteers of Morris County

Thank you for the help and support that you have given to me, to be a part of this country. I not only learned English but solidarity and a desire to make a better world.

Marta, from Argentina

I am very happy and thankful that I became a US citizen. It took a long time and was stressful for me, but now I'm feeling part of this beautiful country which I respect and love already.

Soledad, from Chile

I'm so lucky to have found such a national treasure that is LVMC. No other institution is even close to it, and everyone volunteering and offering his or her help to me and my family is the reason why we are who we are as a family today. We cannot be more thankful.

Nilgun, from Turkey.

Meeting and working with students is the best part of my week. I learn more from my students about courage and perseverance than they learn from me.

Dear Ms Young and Ms Bennett,

On behalf of the staff, board of trustees, and our students and tutors, thank you so much for your very kind and generous contribution of \$ 500. We really appreciate your making us a part of the mission of the Chatham United Methodist Church.

Your generosity will help us to continue to provide our many students throughout Morris County with the help they need to improve their ability to read, write and speak English, and to reach the many other individuals in our community who are in need of our services.

Thank you again for your support, and for enabling us to make it possible for our students to realize their goals and dreams by improving their ability to communicate.

Gratefully yours,

Debbie Leon
Executive Director
