Dear Chatham United Methodist Church ,

On behalf of the Newark Boys Chorus School Board of Trustees, staff, and the students and families we serve, I would like to thank you for your generous donation in support of our school. We value your contribution and are grateful for your support of our mission to develop our students into successful young men of sound character through rigorous academic and musical training.

I apologize for the delay in sending this acknowledgement (or resending if you have already received one). As I undertake the role of Head of School, I am not sure which gifts have been acknowledged and wish to let all of you know how very much your support is appreciated.

Your donation in the amount of \$187 for General Donation and \$51.07 for General Donation will go a long way to enrich the lives of our students. You make it possible for the Newark Boys Chorus School to provide a high-quality academic education and unique musical training to deserving boys in the greater Newark area. As you may know, we charge no tuition to students, but deliver an education like none other as we are the only urban-based, independent boys chorus school in the US. The funds necessary to run the Newark Boys Chorus School come from supporters such as you and the grants that we receive.

We are grateful for your generosity and commitment to the future of our students. To learn more about our school, our programs, and our students, please visit our website at nbcs.us.

Sincerely,
Dr. Ansley W. LaMar
Head of School
