Dear Friends from Chatham UMC- 2018 Missions Committee,

What a wonderful time of year this is. With the help of our many friends, like you, we were able to fill every request for a Thanksgiving Basket complete with turkeys! To meet the needs of our elderly clients who could not cook a holiday meal for themselves, members from the Morristown Junior League came to our IFP kitchen and prepared individual turkey dinners that only needed to be reheated in the microwave. They even baked cookies and made pies! These packages were delivered on Thanksgiving Day by a special group of volunteers who made sure each client knew someone cared and was thinking of them.

Your support also provides some extra food to help celebrate the December holidays. Those we serve are truly thankful for the caring and generosity that makes all this possible. Now we are working hard, as always, to keep up with the demand for assistance giving out more than **46 tons of food every month**. Your recent donation of \$500.00 is greatly appreciated by all. We are always grateful for what we receive, and we especially want to thank you for taking the time to think of your neighbors during this busy season.

It is truly incredible what wonders people can do when they come together for a common cause. Thank you again for your support and I wish you and yours a very happy holiday season,

Warm Regards!
