Dear Rev. Markay,

Thank you for your generous gift of \$954.00.

*Frankly, we couldn't do it without you...Thank you, so much!  
Your gift is literally saving the lives of our vulnerable community members!*

While Family Promise of Morris County supports over 1,200 individuals each year through our Shelter, Housing and Outreach Programs, the current crisis is unlike anything we have experienced as we witness an increase in the new scope of need in our community.

Currently, we are acting as a key resource for even more families and individuals - some experiencing need for the first time.

Housing as Community Healthcare is key for our community, our services continue to evolve and grow to support this model:

- Moving households into rental units more quickly with reduced barriers
- Access to classes on parenting, financial literacy, vocational counseling and grief therapy
- Remote, tele-health and appointments for individuals and groups
- Social distancing and no contact delivery of essential items

We look forward to continuing to partner with you. Please visit us on [Facebook](https://www.facebook.com/familypromisemorris) or at [www.familypromisemorris.org](http://www.familypromisemorris.org). Again, thank you again for your generosity.

Sincerely,

Dominique Tornabe  
Chief Impact Officer

*Rev. Markay, your continued support throughout the years means more than we can say! Your congregation has helped ensure those we serve find a permanent place in our community for nearly two decades. Thank you for helping us make a difference.*
