Dear Young Center supporter,

Thank you for your support of the Young Center and for the generous donation of \$775.00 received on May 3, 2022\*. Your gift makes it possible for us to provide Child Advocates for the children who arrive at the border seeking protection, and for us to advocate for policies that reimagine and implement a new immigration system for children.

Today, we are still fighting at the border and across the nation for unaccompanied and separated immigrant and asylum-seeking children who arrive from countries around the globe. From Honduras, Guatemala, and El Salvador to Haiti, Afghanistan, Ghana, India, Venezuela, and China, children make hard journeys entirely on their own, seeking safety. Together, we can ensure children facing deportation have the allies they need to be released from government custody and reunited with their families.

Despite the election of a new administration, our work remains both critical and urgent, as every forward step to protect immigrant children's rights receives intense pushback from all sides. We are grateful for the community support that enables immigrant children's voice to be centered in this fight, to be heard.

We will keep you informed about how your support is protecting children from all over the world. Thank you again. We couldn't do this work without you.

With gratitude,

Gladis Molina Alt  
Executive Director

Teresa Sullivan  
Board Chair
