Warm Holiday Wishes, Friends!

Please know that your most recent gift of \$500 will be used to support CUMAC in our mission to fight food insecurity, one of the most silent yet tangible symptoms of injustice.

If you received our year-end message directly, you know that CUMAC has been serving an average of 141 new families every month since the start of 2023. The issue of food insecurity is indiscriminate and impacts all sectors of our society. It is having just enough income to cover skyrocketing housing expenses and being forced to rely on credit to feed your family. It's incurring unexpected bills that force you to forego healthy proteins for weeks, or even months.

At CUMAC, we serve 5-7 days' worth of groceries per person, in the most trauma-informed, low-barrier manner possible. We take the time to get to know our guests, to assure that those who need nourishment never walk away empty handed, and to provide high-quality wrap-around support for those who need an additional hand to improve their health. We are proud of our work, and we thank you for your contribution to our mission.

Sincerely,
