_____ I would like to contribute to the following **CUMC** sponsored causes:

\$ _____ **2024 CUMC RISE Mission Trip:** For the past 40+ years, Chatham UMC has sent youth on RISE to help make homes in northern Appalachia safer, warmer, and drier. The youth pay a certain amount to participate. The balance of the costs are covered by donations, fundraisers, and some grants. In years past, Chatham UMC youth have had to raise upwards of \$10,000 to cover the costs of building supplies, rental vans, transportation costs, room and board, and fees to the RISE Board. Thank you for your generosity and partnership in this long-standing ministry of the Chatham UMC.

\$ _____ **Family Promise Mission with Homeless Families:**

Family Promise helps families experiencing homelessness and low-income families achieve sustainable independence by providing prevention services before families reach crisis, shelter when they become homeless, and stabilization programs once they have secured housing to ensure they remain independent.

\$ _____ **Hospital #5 in Kharkiv, Ukraine:** Dr. Igor Kraiz is the Chief Medical Office at the Central Clinical Hospital in Kharkiv, Ukraine. He and his physician colleagues have stayed in Ukraine to help those who are victims of the trauma of war, as well as those who need regular and ongoing medical treatment. Dr. Igor and his colleagues have sent us various videos since the war began and he came to speak to our congregation about his mission in 2022.

*Thank you for your continued generous
support of our church ministry.*
