Dear Friends:

We are so grateful for your support of Spiritual Care at Overlook. The work we do with patients, families, healthcare professionals, and students is important and your donation allows us to provide consistent and comprehensive care.

It is our goal to fulfill the spiritual needs of all who pass through our doors. We believe that providing this spiritual and emotional support in a compassionate manner is beneficial to the healing process.

Because of your generosity, we are able to provide round-the-clock coverage through the work of our staff and students. We are especially proud of our Clinical Pastoral Education program, which is sustained by the financial support we receive.

Please do not hesitate to call if you have any questions at any time. It was indeed our pleasure to meet you and receive your gift in person.

With sincere thanks and much appreciation,
