Employers who plan to hire one or more apprentices as part of a qualified apprenticeship training program can apply to receive refundable tax credits. The tax credit will be in an amount equal to one dollar multiplied by the total number of hours expected to be worked during the following calendar year by the apprentices. The credit can not exceed \$2,000 or 50% of the total wages, whichever is less.</i>
LB283	Pansing Brooks	Executive Board	02/11/2019	IPP 08/13/2020 McCollister Priority Bill	Provide for a climate change study <i>Provides for a transfer of no more than \$250,000 from the Waste Reduction and Recycling Fund to the University of Nebraska for the preparation of a strategic action plan relating to climate change, to be completed no later than December 15, 2020. Requires the developed plan to include: (1) carbon footprint measurements for the State; (2) benchmarks and goals for State and actions to meet them; (3) risk assessment from climate change; (4) discussion of opportunities from adaption and mitigation of climate change; (5) economic impacts; (6) impacts of climate change on Nebraska sectors of agriculture, water resources, health care, energy, forestry, communities, transportation, and commerce and industry. Requires the strategic plan to be developed with public comment and engagement, along with input from Nebraska subject matter experts.</i> <i>Proposed committee amendment requires the University of Nebraska to develop a strategic action plan to included opportunities that exist for Nebraskans to plan for and respond to extreme weather risks, including taking advantage of economic opportunities and reducing potential negative impacts. The plan is to include recommendations of new polices and changes to policies and programs that support the goals based on the information and data collected and generated, including funding needs and recommendations for legislation. Funding for the plan will come from the Petroleum Release Remedial Action Collection Fund.</i>
LB289	Linehan	Revenue	04/24/2019	IPP 08/13/2020	Change provisions relating to county assessor inspections of real property for property tax purposes <i>Requires county assessor to inspect and review all parcels of real property at least once every three years (current requirement is six years). With committee amendment AM1572, LB289 proposes a major overhaul to Nebraska's property tax and school funding systems, with the following key components: (1) provides more state funding to school districts through "per pupil" aid with a minimum guaranteed funding amount of no less than one third of a school district's needs; (2) reduces school districts' permissible maximum tax levy and imposing spending caps based on inflation and growth; and (3) creates a special additional levy authority for the Omaha Public Schools to generate funds for shoring up the OPS pension shortfall. AM1572 raises approximately \$373 Million in new state revenue through a 1/2 cent increase in the state sales tax rate, the repeal of numerous sales tax exemptions on various goods and services, and an increase in the current cigarette tax rate. The amendment also utilizes approximately \$120 Million from Nebraska's current Property Tax Credit Fund, which under current law annually delivers approximately \$225 Million in property tax credits to Nebraska taxpayers. All told, the amendment devotes \$482 Million of new and existing funds to the purposes listed above in fiscal year 2019-20, and \$573 Million in fiscal year 2020.</i>
LB305	Crawford	Business and Labor	02/04/2019	IPP 08/13/2020	Adopt the Healthy and Safe Families and Workplaces Act <i>Requires employers with four or more employees to provide paid leave. Workers can accrue at least one hour of paid "sick and safe time" for every 30 hours worked. Employees need to be provided up to 40 hours of paid leave per year, based on hours worked. Employees will be entitled to use accrued paid leave beginning on the 60th calendar day of employment. Does not apply to the State of Nebraska, its agencies, or political subdivisions.</i>

Political subdivision is defined in the act to mean a city, village, county, school district, community college, or state college. Requires a resolution by the governing body that decides to use this contract must include a finding that using the method is in the public interest because of time or cost savings, or because there is a requirement of specialized or complex construction methods suitable for one of the modes of service delivery. LB890 amended into LB790 via AM2758.</i>
LB974		Revenue	01/22/2020	IPP 08/13/2020 Revenue Priority Bill	Change taxation and school funding provisions <i>Phases in per student foundation aid equal to a percentage of Nebraska's sales and income tax collections, 5% in year 1, 10% in year 2 and 15% in year 3. This would generate approximately \$742 per student in year 1, \$1,539 per student in year 1 and \$2,416 per student in year 3. From year 3 onward the proposal would target providing 15% of a school's basic funding moving forward. Reduces agricultural land valuation from 75% to 65% in year 1 and then down to 57% in year 2. Reduces residential and commercial property valuations from 100% to 95% in year 1, down to 90% in year 2 and finally down to 87% in year 3. Eliminates the averaging adjustment and the allocated income tax provisions of the school funding formula. Modifies Net Option Student Funding to Gross Per Pupil Property Taxes Funding. Provides transition aid for four years to schools with more than 1% of resources lost compared to Budget Disbursements and Transfers. This aid is provided at 100% in year 1 and phased down to 0% by year 4. Maintains a max levy limit of \$1.05. Schools retain the ability to override their maximum levy with a public vote. School spending is capped at inflation plus new construction; however, there is an escape clause to let schools recapture and levy more property taxes if the state does not provide the level of support under LB974 as the formula dictates with a supermajority vote of the school board.</i>
LB992	Friesen	Transportation and Telecommunicatio ns	02/03/2020	Gov. Signed 08/11/2020 Transportation and Telecommunicati ons Priority Bill	Adopt the Broadband Internet Service Infrastructure Act and provide for certain broadband and Internet-related services <i>As amended, LB992 contains the Broadband Internet Service Infrastructure Act in Sections 1 through 7 of the bill. The purpose of the Broadband Internet Service Infrastructure Act is to implement certain statutory changes recommended by the Rural Broadband Task Force relating to broadband over existing electric easements.</i> <i>The Act creates a new definition for "broadband facility agreement", which is an agreement between an electric utility and a commercial broadband supplier, and "electric utility infrastructure", which clarifies that facilities for electric transmission service are not included. As amended, the bill provides that notice must be given only to the property owner and not to any other property interest holders. Provisions relating to delivery of notice are also clarified. A property owner must respond within 90 days for compensation relating to the use of an electric utility easement in connection with a broadband facility agreement. The electric utility would not be required to enter into a broadband facility agreement until one of the following has occurred: (a) 90 days after notice to a property owner who has not filed a claim; (b) a claim filed within the 90 days has been resolved; or (c) the statute of limitations has expired. It is in the electric utility's sole discretion to offer or grant a right of access or use to an easement that would interfere with the utility's provision of electric service. Outside the requirements of the Act, nothing limits the electric utility's authority to enter into agreements relating to the use of its easements or electric system facilities.</i>

<p><i>The Act does not apply to railroad rights-of-way, and specifically states that crossings of railroad rights-of-way by telecommunications carriers are governed by Section 86-164.</i></p> <p><i>Section 8 of the bill creates the position of State Broadband Coordinator,</i></p> <p><i>Section 12 of the bill relates to leasing of dark fiber by state agencies or political subdivisions. The bill requires that such lease terms must be fair, reasonable, and nondiscriminatory. Before a lease becomes effective, it must be filed with the PSC for publication and comment. The lease becomes effective in 14 days unless a protest is filed. If the protest relates to the allocation of served location and unserved location, the PSC shall determine such allocation as a contested matter. For a lease of dark fiber, the PSC shall establish a safe harbor range of market rates using a competitive price determination comparison. If the lease utilizes rates within the safe harbor range, the lease shall be deemed approved. Any other term of the lease may be contested. For leases in served locations, 50 percent of the profit from the lease shall be remitted to the Nebraska Universal Service Fund. Profit means the lease price less the cost of infrastructure development. If the lease is for an unserved location, no profits shall be remitted to the NUSF.</i></p>
