- Mail to: Lewis & Clark Business Office, 521 W 4th Av, Spokane WA 99204

FamilyID Athletics & Activities Registration

Dear parents and guardians of Lewis & Clark students,

All school athletics and activities registration is conveniently completed online through FamilyID. You will find the link to FamilyID on the LC homepage at spokaneschools.org/lewisclark. You can also visit www.Familyid.com and search for Lewis & Clark under “Find a Program”.

FamilyID is a secure registration platform that provides an easy, user-friendly way to register for activities, while helping us to be more administratively efficient and environmentally responsible. When you register through FamilyID, the system keeps track of your information, so you only have to enter it once for multiple uses, family members and programs. However, student physicals need to be uploaded for each program registration by scanned or photograph copy. The school does not keep physicals on file.

1. Go to: **www.lctigers.com** TO REGISTER FOR AN ACTIVITY
2. Click the FamilyID link (right hand side of screen)
3. Open an account using a valid email and password of your choice
4. Within minutes, you will be sent a link to begin registration
5. After selecting your program and completing registration - [CONFIRM REGISTRATION](#)
6. You will see a confirmation page and you are IN!!

FamilyID has instant support available during the registration process via online chat, phone in or email assistance.

If you do not have Internet access, you can use a computer at our school. The first time you register, it is recommended that you use a computer instead of a mobile device. After that, registrations can easily be done on your phone. If needed, paper packets are still available in the school office.

We hope you will find FamilyID to be a quick and easy way to register for school activities.
