Your **Shelf** allows you to look at your **Loans**, check on your **Holds** to see your place in line and what your estimated wait time is, add **Tags** to your books (such as "Liked It" or "Hated It") and track your reading history through the **Activity** tab.

Renewing and Returning Items

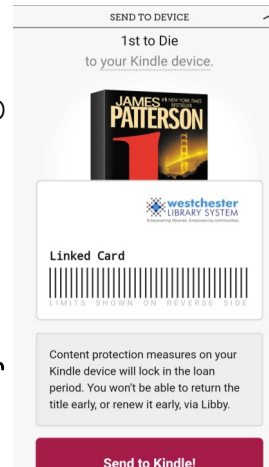

To renew a title or return one to the library, go to the **Loans** tab on your **Shelf**. Click the book cover for the title you wish to renew or return.

To **Renew** a title, tap **Renew Loan** and follow the prompts on the page. To **Return A Title**, tap **Return Title to Library**.

Sending a Title to Another Device

On your **Shelf**, tap the cover of the book you want to send to another device. Tap **Send to Device**. Follow the prompts that come up on the next screens. **Note:** Kindle limits how much time you have with each title so once the title is sent to your Kindle, you may not be able to renew it or return it early.
