Looking for Speakers & Suggestions for the January 6th Info Meeting  
Hoping to Rally the Public on this Development's Impacts  
Please connect with us ASAP to form this Agenda prior to the Holidays

## **Donations ~ Always Welcomed**

Your Contribution assists the Coalition with:  
Analyzing Impacts on Traffic, Wildlife, Water and other critical issues  
Educating the public on the impacts of this development  
Your Donation is Critical in Preserving our Valley Now and for the Future!  
Thank You in Advance!

Please share this meeting notice with your friends and neighbors to help strengthen our collective  
participation in important community affairs.
