Guidelines for Restaurant opening during NH Stay at Home 2.0

State and Local Requirements for Tents

- ✓ For local building permitting requirements please contact the Lebanon Building Department at 603-448-1524.
- ✓ To obtain a Fire Department Place of Assembly and Tent Permit please complete an application at
<https://lebanonnh.gov/DocumentCenter/View/368/Application-for-Fire-Code-Permit-PDF?bidId=>. Fees for permits vary based on size (\$40-\$80).
- ✓ The tent must be installed in accordance with manufacturer's instructions and the NH State Fire Marshals checklist – available at
<https://www.nh.gov/safety/divisions/firesafety/documents/TentInspectionChecklist.pdf>.
- ✓ Tents **shall not have sides** (overhead cover only).
- ✓ All tents will require a local inspection for installation and issuance of an Assembly Permit. Inspections can be scheduled by calling the Lebanon Fire Department at (603) 448-8810.
- ✓ The Occupancy Load for the Assembly Permit will be determined based on State Fire Code and not reduced COVID seating/social distancing. Reduced capacity to be determined by the restaurant owners based on the orders of the Governor and Health and Human Services.

Information from the State of NH on Serving Alcohol for Temporary Outside Dining

- ✓ If your business has a current liquor license from the State of NH please send email to reopen@liquor.nh.gov with the trade name and license number of the establishment letting it be known that you will be offering outdoor dining at this time.

For Questions please contact the Lebanon Fire Department Fire Prevention Division at (603) 448-8810
