Aristoi Logic & Rhetoric Chess Classes

- **Expert Instruction:** Classes are taught by Colby Lorenz, our Latin teacher at Aristoi Logic & Rhetoric, ensuring a unique and enriching learning experience.
- **Cognitive Benefits:** Engaging in chess boosts memory, concentration, and mental agility.
- **Critical Thinking:** Chess promotes strategic planning, problem-solving, and decision-making, fostering critical thinking skills in children.
- **Tournament Preparation:** Students will have opportunities to prepare for a possible fall chess tournament on October 25 and the regional charter school chess tournament held every fall.
