

2026-2027 After School Activities Syllabus

Chess

- Learn chess with United States Chess Federation Candidate Master John Hendrick; founder of Foundation Chess LLC and top 2% of all tournament chess players with over 15 years experience coaching chess students.
- Engaging in chess stimulates memory, concentration, and mental agility, contributing to improved cognitive function and overall brain development.
- Chess requires strategic planning, problem-solving, and decision-making, promoting the development of critical thinking abilities in children.
